Houston's Privately Owned Assisted Living Community

The Abbey at Westminster Plaza is one of Houston's Finest Assisted Living Communities. It is one of the few privately owned communities that is managed by a family with over 60 years of experience in Senior Living. Our long history of caring for people is reflected by our elegant design and our attention to detail, which gives our residents the sense of peace, comfort, and security they deserve.

For added convenience, we have delicately blended tradition with today's technology. Personal wireless emergency pendants and elaborate security monitoring are provided with apartments as well as access to high definition satellite television service.

Outdoors, our residents enjoy many gathering areas for relaxation.

Beautifully appointed are the Home Theatre, Sun Rooms, Game Room, Hair Salon, Kitchenettes, Veterans Wall of Honor, and an Arts and Crafts Room. Lovely landscaped grounds also provide a nice walking path to enjoy the outdoors.
